FOREWORD

This is the large Retail Coin Catalogue which we advertised, and we hope that you will find it most useful and interesting. If you will please examine it carefully, we are sure you will find practically everything you may need in the Numismatic line.

This is our SELLING Catalogue, listing the prices at which we SELL coins. The reasonable prices appearing in this Catalogue are based upon current market prices and fair replacement costs. All coins listed are in stock as our catalogue goes to press.

TERMS AND GENERAL INFORMATION

OUR 100% SATISFACTION MONEY-BACK GUARANTEE PROTECTS YOU. When sending us cash orders you are fully protected not only by our nationwide reputation in fair dealing but in knowing that all coins we sell are GENUINE; are most conservatively graded according to Numismatic Standards assuring you complete satisfaction, and that your orders will receive prompt and careful attention. If, however, any coins do not entirely please you, do not hesitate to return them for prompt refund. We ask only that you return any coins in original envelopes and within 5 days after receipt.

ALL PRICES ARE NET (excepting Special Discounts listed on page 1).

TERMS ARE CASH. Please make remittance by money order, check or cash (by registered mail). Also, we will accept at face value unused U.S. postage stamps with full gum, up to and including 30¢ denominations, on orders up to \$5.00. (But do not send air mail or special delivery stamps.)

\$3.00 MINIMUM ORDER. Orders for less are actually filled at a loss. The increased cost of doing business necessitates our encouraging larger orders. Your cooperation will be greatly appreciated.

A SUPPLEMENTARY LIST OF COINS WE MAY SUBSTITUTE, in case any of your First Choice items are temporarily out of stock, will be appreciated. Your First Choice selections will always be supplied when available. If items are not in stock we will endeavor to obtain them as soon as possible and will advise you when we expect to be able to supply them.

ALL ORDERS \$5.00 OR MORE WILL BE SENT INSURED AND POST-PAID in the United States or Possessions and Canada. Less than this amount, please include 25¢ extra with your remittance. If AIR MAIL SHIPMENT is desired remittance must include amount necessary. Any overpayment will be refunded. FAST SERVICE is rendered on all orders.

ALL ORDERS FROM OTHER COUNTRIES FOR GOLD COINS require considerable extra detail in handling and in filing Custom Declarations, etc., and MUST INCLUDE A \$1.00 SERVICE CHARGE ON ORDERS LESS THAN \$50.00. If AIR MAIL SHIPMENT is desired remittance must also include amount necessary. Consult your local postmaster for air rates.

ALL COINS ARE OFFERED SUBJECT TO PRIOR SALE AND CHANGE IN PRICE without notice. We will, nevertheless, endeavor to supply all coins at the prices listed during the life of this Catalogue.

GRADING OF CONDITION OF COINS

Thousands of collectors have expressed their delight and satisfaction with our conservative grading of coins according to the following "Numismatic Standards":

PROOF (Prf.) Coins struck from Special Dies having a Brilliant Mirror-like surface. Such coins have been struck only at the Philadelphia Mint. Coins struck at other Mints having a similar proof luster are not Genuine proof coins but are instead the first coins struck from a new Die.

BRILLIANT UNCIRCULATED (B. U.) In perfect MINT or NEW condition.

UNCIRCULATED (Unc.) In NEW condition but not necessarily as select a coin as Brilliant Uncirculated.

ABOUT UNC. (A. U.) Practically NEW and showing no evidence of having been in circulation.

EXTREMELY FINE (E. F.) A coin just a shade under the A. U. grade and better than V. F.

VERY FINE (V. F.) Showing only slightest sign of wear on higher parts of design.

FINE (F.) Showing slight sign of wear but with all lettering Clear (word LIBERTY entirely readable), and a much to be desired coin.

VERY GOOD (V. G.) Showing more wear than a Fine Coin but part of LIBERTY readable.

GOOD (G.) Showing a considerable amount of wear but all legend readable.

ABOUT GOOD (Abt. G.) Considerably worn with most of legend readable.

FAIR (Fr.) Badly worn coin with only part of legend readable.

Convenience

The National Coin Album was designed and patented over twenty years ago, and during the ensuing years constant improvements have been made in construction, material and layout. Keeping your coins in these booklike form Albums will add prestige and distinction to your collection and give order and compactness, enabling you to handle it with perfect ease. Your coins are always in plain view and insured complete protection, window sections of transparent Acetate cover each row of openings permitting both sides to be seen. Pages are made of heavy chip-board faced with tough cover stock in a pleasing tan color, and edges are bound with brown cloth tape. The handsome brown Texhide ring binders are stamped in gold. The sturdy construction of these pages and binders will withstand years of use.

To suit the varied needs of collectors two convenient sizes are available: Large Pages (7½" x 14") and Small Pages (5½" x 8") - PRINTED or PLAIN. Printed pages have the dates or title inscribed below each opening. The plain pages are for the use of collectors who prefer to arrange their coins in some different sequence and to do their own lettering, and may also be used for foreign coins if they match United States coins in size. Binders are obtainable for both sizes, and will hold 5 pages. Album Labels with Titles of the various U.S. Coin denominations stamped in gold on red leatherette may be affixed to the back of binders.

GOLD STAMPING SERVICE

The above Plastic Holders may be stamped in gold, the lettering to be approximately the same type as above heading "GOLD STAMPING SERVICE." Your proof set holders (K1b-K17b) may be stamped, for example: 1858 U. S. PROOF SET, or your Mint set holders (K7c) 1950 U. S. MINT SET, or similar desired lettering. Titles should be rather brief in order to fit in at top of holder. Titles of more than one line will require holder being made larger and therefore cost of holder itself, will be more. Copy should be sent with your original order (Please double check for errors as changes cannot be made after stamping and we cannot be responsible for any errors in copy submitted). Approximately 3 days extra time is required for this stamping service. Cost for Gold Stamping is 65c per line.

All of above Plastic Holders are made of Clear Plastic. Colored center sections may be obtained at a slight additional cost of 15%. Available colors are Black, Blue, Red, Green, Purple and White Opaque. Other Special "K" Plastic Holders up to 12" x 12" may be obtained for any coins or combination of coins. Please submit a rough drawing giving exact dates of coins for an estimate of cost. Prompt and Efficient Service is assured on all your orders for above or any Special made-to-order Holders.
